INDEPENDENT AUDITORS' REPORT ON AUDIT OF FINANCIAL STATEMENTS

To,
The Members,
Rayzon Bess Private Limited,
Surat.

OPINION:

We have audited the accompanying financial statements of **Rayzon Bess Private Limited**, ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss, Statement of Changes in Equity and Statement of Cash Flow for the period then ended and notes to financial statements, including a summary of the material accounting policies and other explanatory information (hereinafter referred to as "financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the act read with the companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026 and total comprehensive income (Comprising of Loss and other comprehensive income), its cash flow and Changes in equity for the year ended on that date.

BASIS FOR OPINION:

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the financial statements section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

OTHER INFORMATION:

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Director's Report and annexures thereto but does not include the financial statements and our auditor's report thereon. The Director's Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Suresh I Surana & Associates

Chartered Accountants

When we read the Director's report and annexures thereto, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulation.

RESPONSIBILITY OF MANAGEMENT FOR THE FINANCIAL STATEMENTS:

The company's board of directors are responsible for the matters stated in section 134 (5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the company and for preventing and detecting frauds and other irregularities; selection of the appropriate accounting software for ensuring compliance with applicable laws and regulations including those related to retention of audit logs; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and designing, implementing and maintaining of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

The board of directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITY FOR THE AUDIT OF FINANCIAL STATEMENTS:

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on effectiveness of the internal financial controls.

Suresh I Surana & Associates

Chartered Accountants

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS:

1. As required by the Companies (Auditors' Report) Order, 2020 (the "Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "**Annexure - A**", statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of change in equity, the statement of cash flows and notes to the financial statements dealt with by this Report are in agreement with the books of account.

Suresh I Surana & Associates

Chartered Accountants

- (d) In our opinion, the aforesaid financial statements comply with the Indian accounting standards specified under section 133 of the Act, read with rule 7 of the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time.
- (e) On the basis of the written representations received from the directors as on Balance sheet date taken on record by the Board of Directors, none of the director is disqualified as on Balance sheet date from being appointed as a director in terms of Section 164(2) of the Act.
- (f) Since the Company's turnover as per last audited financial statements is less than Rs.50 Crores and its borrowings from banks and financial institutions at any time during the period is less than Rs.25 Crores, the Company is exempted from getting an audit opinion with respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls vide notification dated June 13, 2017.
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197 (16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the Company is private limited company which is not govern by section 197 of the Act and accordingly, requirement u/s. 197(16) is not applicable.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial positions in its financial statements (Refer "Contingent Liabilities & Capital Commitment" Note of the financial statements)
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. The Company does not require transferring any amount to the Investor Education and Protection Fund.
 - iv. The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

Suresh I Surana & Associates

Chartered Accountants

- v. The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - vi. We have not come across any transaction related to clause (iv) & (v) which caused us to believe that the representations related to clause (iv) & (v) contain any material misstatement.
 - vii. The Company has neither declared nor paid any dividend during the year.
3. Based on our examination which included test checks, the Company, in respect of period commencing on 05 December 2025 (Incorporation date), have used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we did not come across any instance of audit trail feature being tampered with.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

1) Corporate Information:

Rayzon Bess Private Limited ("the Company") is engaged in business is the development, manufacture, supply, installation, and operation of solar and renewable energy products, systems, and solutions, including energy storage, power generation, and related infrastructure.

The Company was incorporated vide corporate identification No. U35105GJ2025PTC170051 issued by registrar of companies, Ahmedabad Gujarat.

The Company is a private limited Company incorporated and domiciled in India. The address of its registered Office No. 1109, MBH-1, Opp. Deep Kamal Mall, Varachha Road, Surat, Gujarat, India, 395006.

2) Material Accounting Policies

a) Basis of Preparation of Financial Statements

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013, [Companies (Indian Accounting Standards) Rules, 2015] as amended, and other relevant provisions of the Companies Act, 2013.

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value or amortized cost, as required under Ind AS.

The Company's functional and presentation currency is Indian Rupees (INR) and all values are rounded to the nearest million except when otherwise indicated.

b) Classification of Assets and Liabilities into Current/Non-Current

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

Current Assets: An asset is classified as current when it is expected to be realized, or intended to be sold or consumed in the normal operating cycle, or within 12 months after the reporting period, or it is cash or a cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period.

Non-Current Assets: All assets other than Current Assets are classified as non-current.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

Current Liabilities: A liability is classified as current when it is expected to be settled in the normal operating cycle, or it is due to be settled within 12 months after the reporting period, or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period.

Non-Current Liabilities: All liabilities other than Current Liabilities are classified as non-current.

The Company's operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents. The Company has identified less than 12 months as its operating cycle.

c) Property, Plant, and Equipment (PPE)

PPE are recognized at cost, less accumulated depreciation and impairment losses, if any. Cost includes the purchase price and directly attributable costs to bring the asset to its working condition for intended use.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset if it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

Depreciation on PPE is provided using the Written Down Value (WDV) method over the estimated useful lives of the assets as prescribed under Schedule II to the Companies Act, 2013. The residual values, useful lives, and methods of depreciation are reviewed at each financial year-end and adjusted prospectively if necessary.

d) Capital Work-in-Progress (CWIP)

Capital Work-in-Progress includes the cost of PPE that is under construction or not yet ready for intended use as at the balance sheet date.

CWIP is carried at cost, comprising direct cost, related incidental expenses, and borrowing costs where applicable.

e) Impairment of Non-Financial Assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount, which is the higher of its fair value less costs to sell and its value in use.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

If the carrying amount of the asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

Impairment losses are recognized in the statement of profit and loss. For assets, excluding goodwill, an assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such an indication exists, the Company estimates the asset's or cash-generating unit's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized.

f) Provisions, Contingent Liabilities, and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects current market assessment of time value of money and, where appropriate, the risks specific to the liability. Unwinding of the discount is recognised in the Statement of Profit and Loss as a finance cost. Provisions are reviewed at each reporting date and are adjusted to reflect the current best estimate.

A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is disclosed as a contingent liability. Contingent liabilities are also disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non -occurrence of one or more uncertain future events not wholly within the control of the Company.

Claims against the Company where the possibility of any outflow of resources in settlement is remote, are not disclosed as contingent liabilities.

Contingent assets are not recognised in special purpose financial statements since this may result in the recognition of income that may never be realised. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and is recognised. A contingent asset is disclosed, in special purpose financial statements, where an inflow of economic benefits is probable.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

g) Income Taxes

Current tax is recognized based on the taxable profit for the year, using tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the special purpose financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates and laws that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, unused tax losses, and unused tax credits can be utilized.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities, and when the deferred tax balances relate to the same taxation authority.

h) Investments and other financial assets

i) Classification

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income or through statement of profit and loss); and
- Those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

ii) Initial measurement

Financial assets are initially measured at fair value. Transaction costs that are directly attributable to the acquisition of financial assets (other than financial assets at fair value through profit or loss) are added to the fair value of the financial assets, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets at fair value through profit or loss are recognised immediately in statement of profit and loss.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

iii) Subsequent measurement – debt instruments

Subsequent measurement of the debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. The Company classifies its debt instruments in the following three categories:

Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not a part of the hedging relationship is recognized in the statement of profit and loss when the asset is derecognized or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through other comprehensive income (FVTOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets where the assets cash flows represent solely payments of principal and interest are measured at fair value through other comprehensive income (OCI). Movements in the carrying amount are taken through OCI, except for recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in the statement of profit and loss. When financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains / losses. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL): Assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not a part of hedging relationship is recognized in the statement of profit and loss. Interest income from these financial assets is included in other income.

iv) Subsequent measurement – equity instruments

The Company subsequently measures all equity instruments at fair value. When the management has elected to present fair value gains and losses on equity instruments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss. Dividends from such investments are recognized in the statement of profit and loss as other income when the Company's right to receive payment is established. Changes in the fair value of financial assets at FVTPL are recognized in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVTOCI are not reported separately from other changes in fair value.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

v) Impairment of financial assets

Expected credit losses are recognised for all financial assets subsequent to initial recognition other than financial assets in FVTPL category.

Expected credit losses is the weighted-average of difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the Company expects to receive, discounted at the original effective interest rate, with the respective risks of default occurring as the weights. When estimating the cash flows, the Company is required to consider:

- All contractual terms of the financial assets (including prepayment and extension) over the expected life of the assets.
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms.

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

For financial assets other than trade receivables, the Company recognises 12 month expected credit losses as per Ind AS 109 for all originated or acquired financial assets, if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses, if the credit risk on financial asset increases significantly since its initial recognition. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition if the financial asset is determined to have low credit risk at the balance sheet date.

vi) De-recognition of financial assets

A financial asset is de-recognized when the Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients. When the Company has transferred an asset, it evaluates whether it has transferred substantially all the risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized. When the Company has neither transferred a financial asset nor retains substantially all the risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

i) Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by the Company are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Financial liabilities

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortized cost, using the effective interest rate method. Interest-bearing bank loans, overdrafts and issued debt are initially measured at fair value and are subsequently measured at amortized cost using the effective interest rate method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognized over the term of the borrowings in accordance with the Company's accounting policy for borrowing costs.

Fair value measurement of financial instruments

The fair value of financial instruments is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price) regardless of whether that price is directly observable or estimated using another valuation technique. When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be derived from active markets, they are determined using a variety of valuation techniques that include the use of valuation models. The inputs to these models are taken from observable markets where possible, but where this is not feasible, estimation is required in establishing fair values. Judgements and estimates include considerations of liquidity and model inputs related to items such as credit risk (both own and counterparty), correlation and volatility.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

Derivative financial instrument

The Company holds derivative financial instruments such as foreign exchange forward contracts (not designated as cash flow hedges) to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

Financial assets or financial liabilities, at fair value through profit or loss

This category has derivative financial assets or liabilities which are not designated as hedges. Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109 Financial Instruments. Any derivative that is either not designated as hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss. Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the statement of profit and loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

Derecognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or they expire.

j) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction, or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period in which they occur.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

k) Earnings Per Share

Basic earnings per share is calculated by dividing the profit attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the financial year.

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

l) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

m) Revenue Recognition

(i) Revenue from Contracts with Customers

Revenue is recognised on the basis of approved contracts regarding the transfer of goods or services to a customer for an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Revenue is measured at the fair value of consideration received or receivable taking into account the amount of discounts, incentives, volume rebates, and outgoing taxes on sales.

Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.

(ii) Interest income

Interest income is recognised using the Effective Interest Rate Method.

RAYZON BESS PRIVATE LIMITED

CIN: U35105GJ2025PTC170051

Notes forming part of the financial statements

For the period ended 31 March, 2026

n) Inventories

Inventories are stated at the lower of cost and net realisable value.

Cost of raw materials include cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost of finished goods and work in progress include cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity but excluding borrowing costs. Cost of traded goods include purchase cost and inward freight. Costs of inventories are determined on FIFO basis. Net realisable value represents the estimated selling price for inventories (including raw materials and finished goods) less all estimated costs of completion and costs necessary to make the sale.

o) Exceptional items

Exceptional items refer to items of income or expense, including tax items, within the statement of profit and loss from ordinary activities which are non-recurring and are of such size, nature or incidence that their separate disclosure is considered necessary to explain the performance of the Company.

p) Cost recognition

Costs and expenses are recognised in statement of profit and loss when incurred and are classified according to their nature.

q) Recent accounting pronouncements

The Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2025, introducing amendments to certain Indian Accounting Standards (Ind AS).

The amendments effective for annual reporting periods beginning on or after April 1, 2026 primarily relate to the classification of liabilities as current or non-current under Ind AS 1 and consequential amendments to Ind AS 10. The amendments effective from April 1, 2025 include additional disclosure requirements for supplier finance arrangements (Ind AS 7 and Ind AS 107), lease liability in a sale and leaseback (Ind AS 116), and the International Tax Reform – Pillar Two Model Rules (Ind AS 12).

The Company has evaluated these amendments and concluded that they do not have any material impact on the recognition, measurement or presentation of its financial statements. Where applicable, the Company has incorporated the additional disclosure requirements in these financial statements.

10 Contingent Liabilities and Commitments:

The Company did not have any contingent liabilities or capital commitments as at the reporting date and during the year .

11 Corporate Social Responsibility (CSR):

The provisions of Section 135 of the Companies Act, 2013 relating to Corporate Social Responsibility (CSR) are not applicable to the Company during the year under review, as the Company is in its first year of incorporation and does not meet the prescribed applicability criteria.

12 In the opinion of the Board and to the best of their knowledge & belief, the compliance related to GST provisions was properly complied, to the extent applicable to the company for the period/year under audit. Difference, if any, between the figures as per books of account and the GST Returns, are reconciled and would be corrected in next period GST returns.

13 Capital Management:

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the company. The primary objectives of the company's capital management is to maximise the shareholder value while providing stable capital structure that facilitate considered risk taking and pursued of business growth.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and business opportunities. To maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, raise/ pay down debt or issue new shares.

Particulars	As at March 31, 2026
Total Borrowings	
(-) Cash and bank balances	
Share capital	(0.10)
Other equity	(0.10)
Net debts (A)	(0.10)
	0.10
Total Equity (B)	(0.02)
Net debt to equity ratio	0.08
	(1.25)

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the aforesaid periods.

14 Segment Reporting

The Company was incorporated during the current financial year and has not commenced commercial operations. Accordingly, no revenue from operations has been generated during the year.

In view of the absence of operating activities and revenue-generating operations during the reporting period, the requirements relating to segment reporting are not applicable to the Company.

17 Financial Instruments- Accounting, classifications and fair value measurements:

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to the short term maturities of these instruments.
- Financial instruments with fixed and variable interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluations, allowances are taken to account for the expected losses of these receivables.

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets and liabilities

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly

Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data.

Particulars	Carrying Amount	Fair value measurement using Level 3
As at 31-03-2026		
<u>Financial assets at amortised cost:</u>		
- Cash and Cash Equivalents	0.10	0.10
Total	0.10	0.10
<u>Financial liabilities at amortised cost:</u>		
- Trade Payables	0.01	0.01
Total	0.01	0.01

Note:

There have been no transfers between Level 1, Level 2 and Level 3 in the current period.

18 Financial risk management objectives and policies:

Objectives and policies :

The management of the Company has implemented a risk management system that is monitored by the Board of Directors. The general conditions for compliance with the requirements for proper and future-oriented risk management within the Company are set out in the risk management principles. These principles aim at encouraging all members of staff to responsibly deal with risks as well as supporting a sustained process to improve risk awareness. The guidelines on risk management specify risk management processes, compulsory limitations, and the application of financial instruments. The risk management system aims at identifying, analysing, managing, controlling and communicating risks promptly throughout the Company. Risk management reporting is a continuous process.

The Company is exposed to credit, liquidity and market risks (foreign currency risk and Interest Rate Risk) during the course of ordinary activities. The aim of risk management is to limit the risks arising from operating activities and associated financing requirements by applying selected derivative and non-derivative hedging instruments.

a) Market Risk

As at March 31, 2026, the Company has not commenced commercial operations and has no significant financial assets or financial liabilities that are subject to Currency risk and interest rate risk. Accordingly, the Company is not exposed to material currency risk and interest rate risk.

b) Exposure to Credit Risk

The Company has not commenced commercial operations during the year and does not have any trade receivables or other significant financial assets exposed to credit risk. The Company's exposure to credit risk is limited to its bank balances, which are maintained with reputable banks. Accordingly, the Company does not expect any material credit losses.

c) Liquidity risk

Liquidity risk is the risk that the Company may encounter difficulty in meeting its financial obligations as they fall due. As at March 31, 2026, the Company has not commenced commercial operations and has only limited administrative and incorporation-related expenses. The Company manages its liquidity by maintaining sufficient cash and cash equivalents to meet its short-term obligations. Accordingly, the Company's exposure to liquidity risk is not considered material.

Maturity profile of financial liability

The table below provide details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments:

As at 31-03-2026	Up to 12 months	More than 12 months	Total
Trade Payables and Other Payables	0.01	-	0.01
